DHAKA VIA CGP - BY RAIL - ADD +07 DAYS

Meanwhile, we want to highlight that local terminal has weight restriction of Dhaka inbound shipment at gross weight of **24 mt for 20'** and **30.48 mt for 40'** (including manifested tare weight).

Delivery of any overweight containers requires special permission from local authority and will incur extra charge and waiting time at Chittagong.

To avoid long waiting time at Chittagong and push for faster equipment turnaround, please do not exceed the weight limitation for BDDAC.
